Dear Ms. Walli:

**Re: Union Gas Limited (“Union”)
EB-2012-0433 – Parkway West Leave to Construct
Intervener Status of Frontenac Forest Estates Inc.**

We are legal counsel to Frontenac Forest Estates Inc. with respect to the above-noted application by Union Gas. Our client sought and was granted (by the Board) Intervener status. Since obtaining Intervener status our client and representatives of Union Gas have met to discuss our clients concerns and we are pleased to advise that those concerns have been addressed. Accordingly, our client no longer requires intervener status and we hereby respectfully request that such status be withdrawn. Please advise if this letter is sufficient or if something further is required. We have copied Union Gas on this letter.

Yours very truly,

Ira T. Kagan
