Dear Ms. Walli:

**EB-2013-0187 – Application by Norfolk Power Distribution Inc. for leave to dispose of its distribution system to Hydro One Networks Inc.**

**EB-2013-0196 – Application by Hydro One Inc. for leave to purchase all of the issued and outstanding shares of Norfolk Power Inc.**

**EB-2013-0198 – Application by Hydro One Networks Inc. seeking to include a rate rider in the 2013 OEB-approved rate schedule of Norfolk Power Distribution Inc. to give effect to a 1% reduction relative to 2012 base electricity delivery rates**

**Hydro One Networks Inc. Response to School Energy Coalition (SEC) preliminary interrogatories**

In a letter addressed to the Board and dated August 5, 2013, counsel for the SEC has submitted a list of what he has referred to as “preliminary interrogatories.” The Applicants note that except in the matters of confidential, irrelevant and out-of-scope information, the Board has not yet established dates for the proceeding, including dates for interrogatories. The Applicants believe that it will be more efficient for the Board’s usual process to be followed and that doing so will provide the benefit of enabling the Applicants to provide joint answers to common questions from intervenors.

Sincerely,
