Property Location: Regional Road 16, concession 5, part lot 32, plan 30r-9965
Property Roll Number: 26-02-020-009-03615-0000

Affected by outcome of proceeding: Hydro towers 181 and 182 on drawing e201, sheet 26 of 57 moved to other side of gravel side road along Port Davidson Road. All other hydro towers are along Port Davidson Road; there is no reason I can see why towers 181 and 182 need to be in front of my property.

Nature and scope of participation: I want to know why and how the location of 181 and 182 was chosen; and if it can be moved to the vacant field across the side road in front of my property.

Represent a Group: No.

Seek awards: Yes, any hydro towers or lines constructed in front of my property will devalue my property, and will need compensation.
