Dear Applicants:

**Re: Applications by Hydro One Inc., Norfolk Power Distribution Inc. and Hydro One Networks Inc.  
EB-2013-0196, EB-2013-0187 and EB-2013-0198**

On August 13, 2013, the Board issued Procedural Order No. 4 in which Mr. Jay Shepherd, counsel for School Energy Coalition and Mr. Lawrence Wilde, counsel for Horizon Utilities Corporation were allowed access to the Confidential Version of the Attachment (as the terms are defined in Procedural Order No.2) for the purpose of making submissions on the Applicants' claims for confidentiality and/or relevance on or before **August 21, 2013**. Being an employee of the parent company of Essex Powerlines Corporation ("Essex"), an intervenor in this proceeding, Mr. Giuseppe Barile was denied such access.

The Board received a letter dated August 13, 2013 from Mr. Dennis M. O'Leary advising that he has been retained by Essex, Niagara-on-the-Lake Hydro Inc. and Bluewater Power Distribution Corporation ( intervenors in this proceeding) to prepare submissions

in respect of the Applicants' claims for confidentiality and/or relevance. Mr. O'Leary filed an executed declaration and undertaking as to confidentiality with the Board.

The Board hereby accepts Mr. O'Leary's executed declaration and undertaking as to confidentiality and directs the Applicants to forthwith provide Mr. O'Leary with the Confidential Version of the Attachment for the purpose of making submissions on the Applicants' claims for confidentiality and/or relevance on or before **August 21, 2013**.

Yours truly,
