Re: Extension of Licence ES-2007-0963

Dear Board Secretary:

Priority Submetering Solutions Inc., requests an extension to our current licence until such time that the Ontario Energy Board accepts our renewal of our Unit Sub-Metering licence number ES-2007-0963. We are requesting that the Board dispose of the proceeding without a hearing with respect to section 21(4)(b) of the *Ontario Energy Board Act, 1998*. It is our position that no other person will be adversely affected in a material way as Priority Submetering Solutions Inc., will continue to carry on business in the same manner under the proposed extension as it does under its current licence. Should you have any questions please do not hesitate to contact me directly at 289-315-0685.

Sincerely,

A blue ink signature of Andrew Beacom, consisting of a stylized, flowing script.
