Attention: Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: Intervenor Status and Cost Eligibility Request on Behalf of the Building Owners and Managers Association - Greater Toronto (BOMA) for EB-2013-0301: Review of Framework Governing the Participation of Intervenors in Board Proceedings - Consultation and Stakeholder Conference

The Building Owners and Managers Association - Greater Toronto (BOMA) seeks intervenor status and cost award eligibility in the above noted proceeding.

BOMA represents over 800 Ontario Property and Facility Owners, Managers, Developers, Leasing Agents, and Commercial Real Estate Professionals in the Greater Toronto Area and throughout Ontario (with the exception of Ottawa). These companies own commercial real estate throughout Ontario. Its members account for 80 per cent of all commercial and industrial real estate companies in Ontario. BOMA's members are large consumers of both natural gas and electricity in Ontario.

Over the years, BOMA has been active in protecting and advancing the interests of its members on such important policy issues as energy pricing and supply, property taxes, labour requirements, building materials and equipment regulations. BOMA continues to work at all levels of government providing a voice for Commercial Property in Greater Toronto and throughout Ontario. BOMA has an active energy committee, with which its OEB representatives meet on a regular basis.

BOMA has been a constructive participant in numerous previous cases in both gas and electricity. As a representative of a large sector of energy consumers in Ontario, the commercial and industrial building owners and operators, BOMA seeks a cost award in this proceeding. BOMA will coordinate its activities, where appropriate, with parties which represent other consumer interests in Ontario. BOMA requests that further communications with respect to this matter be sent to the following parties:
