Dear Ms. Walli

**Re: PowerStream Inc. (Licence ED-2004-0420)
Application for 2014 Electricity Distribution Rates
Board File EB-2013-0166**

We are in receipt of the Board's July 17, 2013 letter that indicates that distributors, like PowerStream, with a January 1st rate year, should file their 2014 IRM rate applications by August 16, 2013.

As indicated in our July 18, 2013 reply to the Board's IRM Survey, PowerStream's application will have a number of facets including requests for LRAM recovery, the disposition of Group 1 Deferral and Variance amounts and an Incremental Capital Module.

It is taking us some time to complete the evidence, verify all numbers and models and secure executive approval prior to filing. We plan to file the application no later than September 13, 2013

We sincerely apologize for the delay.

Yours truly,

Tom Barrett
