Ms. Kirsten Walli, Board Secretary
Ontario Energy Board
By e-mail and RESS

Dear Ms. Walli:

Re: EB-2013-0301 Review of Framework Governing Participation of Intervenors - GEC Intervention

1. The Green Energy Coalition (GEC) has been a long-time intervenor in Board processes that touch on environmental and energy-efficiency matters. GEC's participation with counsel and experts has only been possible due to the Board's intervenor and costs policies. Accordingly, GEC intends to participate in this matter and requests that it be found eligible for costs.
2. The GEC is comprised of the David Suzuki Foundation, Greenpeace Canada, Sierra Club of Canada and WWF-Canada. All of the GEC's member groups are charitable or non-profit organizations active on environmental and energy policy matters.
