RE: Electricity Wholesaler Licence EB-2011-0057
Request for Cancellation

Dear Board Secretary,

Iberdrola Renewables, LLC ("IRL") respectfully requests cancellation of Electricity Wholesaler Licence EB-2011-0057 effective 30 November 2011.

In November 2011, IRL cancelled its Canadian licences and permits. Due to an administrative oversight, this Licence was not included at that time.

Your consideration in this matter is greatly appreciated.

Yours Sincerely,

Julie Morris
