---

The Ontario Power Authority ("OPA") is in receipt of the Ontario Energy Board's ("Board") August 22, 2013 letter and is writing to register as a participant in the Board's review of the framework governing the participation of intervenors in Board proceedings.

As a regulated entity in the electricity sector, and as an intervenor that provides supporting evidence in other entities applications, the OPA has an interest in the effective and efficient participation of intervenors in Board proceedings.

The OPA looks forward to participating in this consultation and intends to provide written comments to the questions outlined in the letter by September 27, 2013.

Please provide a copy of all relevant communications to the attention of Miriam Heinz, Regulatory Coordinator, at the address above or through e-mail at [miriam.heinz@powerauthority.on.ca](mailto:miriam.heinz@powerauthority.on.ca).

Yours truly,
