Re: Board File No. EB-2013-0147
Request for Confidentiality of Dion Durrell Study of Post-Retirement Benefits

Dear Ms. Walli:

In accordance with Procedural Order No. 1, this letter constitutes the reply submission of Kitchener-Wilmot Hydro Inc. (KWHI) with respect to the request for confidential treatment of the Dion Durrell & Associates Inc. (Dion Durrell) Study of Post-Retirement Benefits filed in support of KWHI's application for 2014 rates.

KWHI staff forwarded Board staff's comments of September 6, 2013 to Dion Durrell on September 9, 2013. During a telephone conversation on September 10, 2013, Dion Durrell staff stated that it had been unaware that the Dion Durrell report issued to Thunder Bay Hydro Inc. (EB-2012-0167) had been previously filed with the Ontario Energy Board and, since that report had been available to the public, that Dion Durrell would rescind its request for confidentiality. Dion Durrell staff followed up with an email stating:

"As discussed, in regards to the confidentiality matter, we remove our request for confidential treatment of the Dion Durrell valuation report in question. We understand that the full report will be included in KWHI's public rate filing."

KWHI therefore rescinds its request for confidentiality of the Dion Durrell Study of Post-Retirement Benefits and requests that the report, in its entirety, become part of the public record in this rate filing.
