Dear Mr. Ogedengbe:

**Re: Energhx Green Energy Corporation ("Energhx")
Board File Number EB-2011-0311**

I am writing on behalf of Board Staff with respect to the above-noted matter.

On August 30, 2013, Energhx filed a letter with the Ontario Energy Board (the "Board") requesting a further extension of time to pay the administrative penalty of \$10,000 that was ordered in the Board's March 26, 2012 decision in this proceeding. That letter was placed on the record of this proceeding.

On August 30, 2013, Compliance Staff submitted the following:

For the reason's set out in the written submissions of Compliance Counsel dated July 11, 2013, Compliance staff opposes the further, open-ended extension of the payment deadline sought by Energhx in this matter, and noted that no new or compelling reasons have been provided that would justify such an extension. Accordingly, Compliance Staff intends to take steps to suspend or revoke Energhx's electricity retailer and marketer licences, as per the Board's July 18th decision.

The Board's Decision and Order of July 18, 2013 indicated that the Board did not intend to grant any further extensions. As such, that file is now closed. As the last Order indicates, if Energhx fails to make payment by August 29, 2013, the Board may take steps to suspend or revoke Energhx's licences. We have received notice that on

September 4, 2013 the Board's Compliance Division has issued a Notice of Intention to Make an Order to revoke Energhx' licences which was also served on Energhx. The Board File Number for that proceeding is EB-2013-0318 and your future correspondence to the Board should reference that file number.

Yours truly,
