Dear Ms. Walli:

**Re: EB-2012-0040/ EB-2012-0041 Bornish Wind, LP., Kerwood Wind, Inc. and Jericho Wind, Inc. -
Application for Leave to Construct Electricity Transmission Lines and Related Facilities**

As counsel for The Group of Intervenors (the "Group") we can advise that the Group will be calling five witnesses. They are Mr. Larry Cook, Ms. Marcelle Brooks, Ms. Rose Keunen, Ms. Kathryn Minten, and Mr. Harvey Wrightman.

In addition, the Group will be cross examining the witness(es) called by the Applicant but the time estimate is currently unknown.

As a result, the Group strongly opposes the request by the Applicant, sent via email today, to cancel the oral hearing as the group is of the opinion that there are a number of outstanding issues that have not been dealt with in this proceeding to date. Therefore, the Group feels that an oral hearing, as already ordered by the Board, is the most effective way of dealing with the evidence in a time-efficient manner, and the previous order of the Board should be followed especially given that the hearing is only ten days from today and the Group has spent significant time preparing.

If there are any questions arising from this please do not hesitate to contact us.

Yours very truly,

ERIC K. GILLESPIE
