Enbridge Comments on VECC Cost Claim**

---

In accordance with the Ontario Energy Board's Decision and Order on the Settlement Agreement dated July 4, 2013 Enbridge reviewed and commented on the cost claims it received from Intervenor in the above noted proceeding. The Board subsequently issued its Decision and Order on Cost Awards on August 28, 2013.

Due to technical difficulties the Vulnerable Energy Consumers Coalition filed its cost claim on September 6, 2013.

Enbridge found the claim to be within the allowances of prescribed rates within the cost assessment guidelines and has no objection to the claim.

The Company awaits the Board's direction and or any cost award with respect to this cost claim.

Please contact the undersigned if you have any questions.

Yours truly,

(Original Signed)
