RE: EB-2013-0320; Notification of Posting Application and Hearing Documentation to Public Website

Dear Kirsten Walli,

This letters serves as notice on behalf of the South Dundas Windfarm Limited Partnership that the Ontario Energy Board, Notice of Application and Written Hearing documentation has been posted to the project's public website, <http://edprwindfarms.com/canada/under-dev/south-branch.htm>. The Notice of Application and Written Hearing has been provided in both French and English per the direction of the OEB provided on September 13th, 2013. The Letter of Direction accompanying these notices has also been provided on the project website.

Sincerely,

Kenneth Little
Project Manager
South Dundas Windfarm Limited Partnership
