Dear Ms. Walli:

**Re: EB-2012-0040/ EB-2012-0041 Bornish Wind, LP., Kerwood Wind, Inc. and Jericho Wind, Inc. -  
Application for Leave to Construct Electricity Transmission Lines and Related Facilities**

At the request of Board staff to clarify the issues before the Board at the upcoming hearing, the Group will seek to cross-examine the witness(es) called by the Applicant on areas including the following:

- 1) Issues relating to provision for independent legal advice to property owners. This has not been properly resolved and relates directly to the ability of the Applicant to acquire the necessary easements.
- 2) Issues regarding the expropriation of lands necessary to the construction of the proposed transmission lines which likewise have not been fully addressed previously by the Applicant.
- 3) Issues relating to the Jericho portion of the current application.
- 4) Issues relating to stray voltage that have not yet been addressed by the Applicant.

The above list is an attempt to identify the main issues but the Group reserves the right to expand these topics if they deem it necessary prior to the Hearing.

If there are any questions arising from this please do not hesitate to contact us.

Yours very truly,

**ERIC K. GILLESPIE**
