

Septemeber 20, 2013

Ms. Kirsten Walli, Board Secretary
ONTARIO ENERGY BOARD
2300 Yonge Street, 27th Floor
Toronto ON M4P 1E4

Dear Ms. Walli:

**Re: EB 2013: Toronto Hydro-Electric System Limited ("Toronto Hydro") Application
Regarding Regulation of Wireless Attachments**

Please accept this letter as a request by Rogers Communications ("Rogers") for intervention herein.

Description of the Intervenor

Rogers is an integrated cable and communications company that has access to the distribution poles of Toronto Hydro and other regulated electricity distributors for its wireless attachments.

Statement of Interest of the Intervenor

As a cable and communications company, Rogers is directly interested in access to distribution poles for its wireless attachments, and the regulation of rates for such access. Rogers has been an active intervenor in numerous previous Board proceedings concerning the rates payable by cable and communications companies to regulated electricity distributors.

Intended Participation of the Intervenor

Rogers intends to participate in pre-hearing procedures, settlement conferences, any oral hearing of this matter, in written or oral submissions, as well as any other parts of the proceeding ordered by the Board.

Costs

Rogers does not intend to seek costs in this proceeding.

Communications

Rogers requests that all communications and materials in this proceeding be directed as follows:
