RE: TERRESTAR SOLUTIONS INC. REQUEST FOR OBSERVER STATUS

Dear Ms Walli:

Please accept this correspondence as a request for the registration of TerreStar Solutions Inc. (TSI) as Observer to the Ontario Energy Board hearing of application EB-2013-0234.

TSI is aware that Observers in Ontario Energy Board hearings are not active participants, but are entitled to automatically receive documents issued by the Ontario Energy Board throughout the hearing. Further, TSI is aware that Observers may request and receive documents which have been filed by applicants or other parties involved in the proceeding, provided that the recipient of the request is reimbursed for related expenses. Finally, TSI is aware that all requests for Observer status are placed on the public record.

Kindly direct all correspondence related to the above request to the following point of contact:
