EB-2012-0451 - Greater Toronto Area ("GTA") LTC Project  
Undertaking Responses and Updated Curricula Vitae ("CV")**

---

Attached please find Enbridge's responses to Undertakings J4.9 and J4.10 from September 19, 2013 of the oral hearing.

An update to Exhibit A, Tab 2, Schedule 5 is also being filed with the addition of another curriculum vitae at pages 24 and 25.

In response to the request made by CME for the cost for Segment A and for Segment B (Transcript Volume 4, page 100, Lines 8 to 10), this information was previously filed by Enbridge on August 1, 2013 in response to the motion filed by Environmental Defence.

This evidence is being filed through the Ontario Energy Board's Regulatory Electronic Submission System and all of the GTA evidence can be found on Enbridge's website at [www.enbridgegas.com/gtaproject](http://www.enbridgegas.com/gtaproject).

Please contact me if you have any questions.

Yours truly,
