IN THE MATTER OF the *Ontario Energy Board Act, 1998*,
S.O. 1998, c. 15, (Schedule B);

AND IN THE MATTER OF an application by Enersource
Hydro Mississauga Inc. for an order approving just and
reasonable rates and other charges for electricity distribution
to be effective January 1, 2014.

PROCEDURAL ORDER NO. 1
September 26, 2013

Enersource Hydro Mississauga Inc. ("Enersource") filed a complete application (the "Application") with the Ontario Energy Board (the "Board") on August 16, 2013 under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B), under the Board's guidelines for 4th Generation Incentive Regulation Mechanism. Enersource is seeking approval for changes to the rates that Enersource charges for electricity distribution, to be effective January 1, 2014. The Board assigned the application file number EB-2013-0124. The Board intends to hold a written hearing in this case.

The Board issued a Notice of Application and Hearing dated September 6, 2013, which was revised on September 12, 2013 to correct for the use of the applicant's short name. The Vulnerable Energy Consumers Coalition ("VECC") applied for intervenor status and cost eligibility in relation to Enersource's proposed renewable generation connection funding amount. No objection was received.

The Board approves VECC as an intervenor. The list of parties in this proceeding is attached as Appendix A to this procedural order. The Board has also determined that VECC is eligible to apply for an award of costs under the Board's *Practice Direction on*

Cost Awards in relation to Enersource's proposed renewable generation connection funding amount.

The Board has decided to make provision at this time for written interrogatories, interrogatory responses, submission and reply submission. The Board may issue further procedural orders from time to time.

THE BOARD ORDERS THAT:

1. Board staff and the intervenors shall request any information and material from Enersource that is in addition to Enersource's pre-filed evidence with the Board, and that is relevant to the hearing, by written interrogatories filed with the Board and served to Enersource on or before **October 11, 2013**.
2. Enersource shall file with the Board complete written responses to the interrogatories and serve them to VECC on or before **October 21, 2013**.
3. Board staff and intervenors wishing to file a written submission shall do so by **October 31, 2013**. Any submission should be filed with the Board and delivered to Enersource and intervenors.
4. Enersource may file a written reply submission with the Board, and deliver it to intervenors by **November 12, 2013**.

All filings to the Board must quote the file number, EB-2013-0124, be made through the Board's web portal at <https://www.pes.ontarioenergyboard.ca/eservice/>, and consist of two paper copies and one electronic copy in searchable / unrestricted PDF format.
