

EB-2013-0202

IN THE MATTER OF the *Ontario Energy Board Act, 1998*,
S.O. 1998, c. 15, (Schedule B);

AND IN THE MATTER OF an Application by Union Gas
Limited for an order or orders approving a multi-year
incentive rate mechanism to determine rates for distribution,
transmission and storage of gas effective January 1, 2014.

PROCEDURAL ORDER NO. 2

Union Gas Limited ("Union") filed an Incentive Rate Mechanism ("IRM") application on July 31, 2013 with the Ontario Energy Board (the "Board") pursuant to section 36 of the *Ontario Energy Board Act, 1998*, S.O. c.15, Schedule B. The application is for an order or orders approving a multi-year IRM framework to determine rates for the distribution, transmission and storage of natural gas, effective January 1, 2014. The Board has assigned the application File Number EB-2013-0202.

Union's last cost of service application was considered by the Board in 2012 for rates effective January 1, 2013. In this application, Union has applied for a ratemaking framework for the period 2014 to 2018. Union's proposed IRM parameters are the product of a comprehensive Settlement Agreement (the "Agreement") between Union and stakeholders. The Agreement was filed as part of Union's application.

The Board issued a Notice of Application and Hearing dated August 14, 2013. In Procedural Order No. 1 issued on September 19, 2013, the Board established the approved list of intervenors for this proceeding. The Board further directed intervenors that were not party to the settlement to file a letter informing the Board of their position on the Agreement.

Ontario Greenhouse Vegetable Growers, Enbridge Gas Distribution Inc., Ontario Power Authority, TransCanada Energy Ltd. and Just Energy Ontario L.P. filed letters supporting or taking no position on the Agreement.

The Board considers it necessary to make provision for the following matters related to this proceeding. The Board may issue further procedural orders from time to time.

THE BOARD ORDERS THAT:

1. The Board will hold a hearing on October 3, 2013 in which Union will present the Settlement Agreement to the Board. The hearing will be held in the Board's North hearing room on the 25th floor, 2300 Yonge Street, Toronto starting at 9:30 a.m.
2. Union is directed to make available a panel of witnesses that can respond to any questions the Board panel or Board staff may have with respect to the Agreement.

All filings to the Board must quote the file number, EB-2013-0202, be made through the Board's web portal at <https://www.pes.ontarioenergyboard.ca/eservice>, and consist of two paper copies and one electronic copy in searchable / unrestricted PDF format. Filings must clearly state the sender's name, postal address and telephone number, fax number and e-mail address. Parties must use the document naming conventions and document submission standards outlined in the RESS Document Guideline found at <http://www.ontarioenergyboard.ca/OEB/Industry>. If the web portal is not available parties may email their documents to the address below. Those who do not have internet access are required to submit all filings on a CD in PDF format, along with two paper copies. Those who do not have computer access are required to file 7 paper copies.

All communications should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.
