Dear Mr. Schmidt:

**Re: OPCC Review of the Environmental Report-Union Gas Limited, Halton Hills

This is to confirm that the OPCC has completed its formal review of the Environmental Report-Halton Hills Generating Station Pipeline Project prepared by Stantec Consulting Ltd. According to the evidence in the leave to construct proceeding before the Board (EB-2008-0024) the issues or concerns identified in the OPCC review have either been resolved or are in the process of resolving.
