Dear Ms. Walli:

**Re: EB-2013-0321 - Ontario Power Generation Inc. ("OPG") Application for  
Payment Amounts  
Confidential Information for the OEB's Review Only**

---

In OPG's letter of October 2, 2013, OPG requested confidential treatment of certain of its information filed in the above-referenced Application, and specifically, the review of certain information by only the OEB in order to determine the permanent protection of such information. OPG indicated that, following past practice of the OEB in EB-2010-0008, OPG would write to the OEB and provide it alone with the information for which OPG seeks permanent protection.

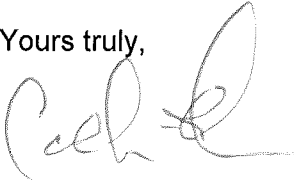

In this regard, OPG herewith encloses three fully unredacted copies of each of the 2013-2015 Hydro Thermal Operations Business Plan and Corporate Business Plan, as well as the Business Planning Instructions. Non-confidential versions of these three documents are at Exhibit F1-1-1, Attachment 1, Exhibit A2-2-1, Attachment 1 and Exhibit A2-2-1, Attachment 2, respectively. They are attached hereto so that the OEB may examine and determine whether the redactions related to OPG's unregulated hydroelectric business and related to confidential irrelevant information for periods outside of the test period in respect of the Application are appropriate. The portions of these documents for which OPG seeks a permanent redaction are indicated by red lines around such information.

OPG requests that the OEB follow its past practice in respect of this similar information and not make these documents available to the parties. OPG requests that upon the OEB's review of the documents that the OEB return the unredacted originals to OPG. In aid of returning the documents to OPG, the documents may be returned to the attention of:

Carlton D. Mathias  
Assistant General Counsel, Law Division  
Ontario Power Generation

For ease of reference, for the hard copy of this letter sent to the OEB, a copy of OPG's letter of October 2, 2013 requesting confidential treatment for the several parts of its Application is also attached.

Yours truly,

A handwritten signature in dark ink, appearing to read 'Carlton D. Mathias', with a stylized flourish at the end.
