### **Curriculum Vitae of Stephen Clark**

Mr. Clark is currently the Senior Vice President, Canadian and Eastern U.S. Pipelines, responsible for TransCanada's Nova, Foothills and Mainline gas transmission systems, and TransCanada's ownership interests in the Trans Québec and Maritimes Portland and Iroquois gas transmission systems.

Mr. Clark held a variety of engineering positions prior to joining Nova Chemicals in 1989. He joined Novagas Clearinghouse Ltd. in 1994 and, after TransCanada merged with NOVA Corporation, he held various positions of increasing responsibility with TransCanada before being appointed to his current position in 2013.

Mr. Clark received a Bachelor of Science degree in Chemical Engineering from the University of Alberta in 1981 and a Master's degree in Business Administration from the University of Calgary in 1992. He is a Professional Engineer registered with the Association of Professional Engineers and Geoscientists of Alberta.
