Dear Ms. Walli:

**Re: Hydro One Networks Inc. ("Hydro One")
Application for 2014 IRM Distribution Rates
Board Staff Submission
Board File Number EB-2013-0141**

In accordance with the Partial Decision and Procedural Order #3 issued by the Board on September 26, 2013, written submissions by an intervenor or Board staff must be filed with the Board, and copied to all other parties, by October 9, 2013.

Board staff has reviewed Hydro One's 2014 IRM application and its responses to interrogatories and has no concerns with the application with regard to the 2014 IRM rate calculations (subject to updates), the updated Retail Transmission Service Rates (RTSR), the calculation of the shared Tax Savings rider and the continuation of the Incremental Capital Module (ICM) rate rider approved in EB-2012-0136.

Yours truly,
