Dear Ms. Walli:

RE: EB-2013-0040/EB-2013-0041 – Final Submissions

As the Board will recall, the County and the Applicants were able to reach forms of road use agreements with respect to the projects described in each of EB-2013-0040 and EB-2013-0041, subject to approval of the Board.

In correspondence dated September 16, 2013, the County confirmed that it "does not object to the applications, so long as they are based on the Updated Route. With its issues having being addressed, the County no longer intends to participate actively in the hearing or in the filing of submissions, except to the extent of filing submissions in support of the agreed upon Updated Route, as specified in the Form of Co-owners Agreement and Form of Kerwood Agreement." (*emphasis added*)

As a matter of completeness, the County requests for the attached final submissions be filed with the Board.

Yours Truly,

Wayne P. Meagher, H.B.A., LL.B., J.D.
