

Board Staff Interrogatories
EB-2012-0406 / EB-2013-0081
to
Natural Resource Gas Limited (“NRG”)
Date: October 18, 2013

1. Ref: IGPC Interrogatory #5

In response to IGPC interrogatory #5, NRG has provided a detailed schedule of the costs of the pipeline. The amount that is under dispute between NRG and IGPC totals \$877,938 as per this schedule. Please confirm whether the disputed amount has been paid by IGPC to NRG. If not, please provide the portion of the amount that has been paid by IGPC.

2. Ref: IGPC Interrogatory #13, Undertaking Response J1.5, EB-2010-0018

In the above Undertaking response, NRG has noted the methodology to calculate project interest during construction. NRG has described the methodology as, “Interest is calculated from the date the last Aid-to-Construct payment was due to the date the final invoice from the primary contract was received”. Please explain how interest was calculated using the above methodology. Please provide an example.

3. Ref: IGPC Interrogatory #13, IGPC Project Interest Summary

Please provide the total amount and the number of invoices that NRG sent to IGPC at or after the payment due date.

4. Ref: NRG Evidence, page 13, June 3, 2013

Please provide the number of hours spent by Mr. Bristoll on IGPC related activities in 2006.
