Entegrus Powerlines Inc. has applied to change its electricity distribution rates.

Learn more. Have your say

Entegrus Powerlines Inc. ("Entegrus") has applied to the Ontario Energy Board to decrease the amount it charges for its Chatham-Kent service territory by approximately \$1.46 each month and to increase the amount it approximately charges for the Strathroy, Mount Brydges & Parkhill service territory by \$4.96, increase the Dutton service territory by \$0.21 and the Newbury service territory by \$0.24 for the typical residential customer beginning on May 1, 2014. Other customers, including businesses, may be affected as well.

The requested rate change is tied to inflation (and other factors intended to promote efficiency).

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider Entegrus's request. We will determine whether Entegrus has used the applicable models and formulas as required by the OEB. At the end of this hearing, the OEB will decide on the appropriate rate changes.
