**LETTER OF DIRECTION**

Dear Mr. Hammond:

**Re: Dufferin Wind Power Inc. ("DWPI")  
Application for Authority to Expropriate Interest in  
Certain Lands for the Purpose of Constructing, Operating and  
Maintaining DWPI's Transmission and Distribution Facilities  
Board File No. EB-2013-0268**

Your affidavit of service in this matter dated October 4, 2013 indicates that three of the Aboriginal groups on which Version 2 of the Notice of Application (the "Notice") was to be served had not picked up their registered mail packages as of October 4, 2013. These groups were listed as item numbers 18, 22 and 26 in your transmittal record attached to your Affidavit of Service. Your counsel, Mr. Jonathan Myers recently advised that the Aboriginal groups identified as item numbers 18 and 26 have since picked up their registered packages leaving the Aboriginal group identified in item 22 as the only group that has not picked up its registered package to date.

You are directed:

1. To immediately attempt to re-serve Version 2 of the Notice on the Aboriginal group listed as item 22 of your transmittal record attached to your October 4, 2013 Affidavit of Service, through registered mail and any other reasonable means of service (for example fax or email, if proper contact information can be obtained).

2. To file with the Board affidavit evidence confirming your attempt to serve the Notice and success, preferably after service is effected, with a copy of the Notice.

Please also provide confirmation that the Aboriginal groups listed as items 18 and 26 in your transmittal record in your affidavit of service dated October 4, 2013 have picked up their registered Notice packages

Yours truly,

*Original Signed By*

Kirsten Walli  
Board Secretary
