Enbridge Comments on Energy Probe Cost Claim**

In accordance with the Ontario Energy Board's Decision and Order on the Settlement Agreement within this proceeding dated September 23, 2013, Enbridge reviewed and commented on the cost claims it received from Intervenors by the timeline required in the above noted proceeding.

Energy Probe filed its cost claim on October 15, 2013, a date later than required with an explanation of the timing of the claim.

Enbridge found the claim to be within the allowances of prescribed rates within the cost assessment guidelines and has no objection to the claim.

The Company awaits the Board's direction and or any cost award with respect to this cost claim.

Please contact the undersigned if you have any questions.

Yours truly,
