Maintaining DWPI's Transmission and Distribution Facilities
Board File No. EB-2013-0268**

This is in response to your letter to the Board dated October 25, 2013 which suggested further discussions are needed between you, the Applicant and your client before you can confirm whether D&G Ferguson Farms is interested in intervenor status.

The Board will hold D&G Ferguson Farms' request for intervenor status in abeyance pending the results of the further discussions you suggested.

Please advise the Board as soon as you are able to confirm D&G Ferguson Farms' interest in intervenor status at which time the Board will decide whether to grant intervenor status to D&G Ferguson Farms.

Yours truly,
