**Re: Delay in filing responses to Board Staff and VECC Supplemental IRs**

Dear Ms Walli,

Hawkesbury Hydro Inc. ("HHI") has been working diligently to complete its responses to Board Staff and VECC Interrogatories; however HHI was not able to meet the January 28, 2013 deadline.

Having reviewed the status of the work still outstanding, HHI is confident that it will be able to complete and submit its responses by November 6, 2013. HHI regrets any inconvenience that this delay may cause and appreciate the Board, VECC's understanding in this matter.
