### **DECISION AND ORDER**

**October 31, 2013**

TransCanada Energy Ltd. ("TransCanada") filed an application on September 20, 2013 with the Ontario Energy Board pursuant to section 74 of the *Ontario Energy Board Act, 1998* ("the Act") to amend its electricity generation licence EG-2009-0024 and a request to subsequently cancel electricity generation licence EG-2012-0010 issued to 2176047 Ontario Inc. pursuant to section 77(5) of the Act.

The requested amendment is to add to Schedule 1 of TransCanada's electricity generation licence the solar generation facility Brockville 1 located in Brockville, Ontario. The requested addition of this facility is as a result of the acquisition of 2176047 Ontario Inc. by TransCanada by way of a share transfer agreement. The generation facility will be transferred to TransCanada as of October 31, 2013.

TransCanada has also requested subsequent cancellation of 2176047 Ontario Inc.'s electricity generation licence.

I have proceeded to decide the application without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding, and the applicant has consented to disposing of the application without a hearing.

I find that it is in the public interest to grant the requested amendment to TransCanada's electricity generation licence and cancel 2176047 Ontario Inc.'s electricity generation licence.

**IT IS THEREFORE ORDERED THAT:**

1. Schedule 1 of TransCanada Energy Ltd.'s electricity generation licence EG-2009-0024 will be amended to add generation facility Brockville 1 to the licence.
2. 2176047 Ontario Inc.'s electricity generation licence EG-2012-0010 will be cancelled.
