Interrogatories and Responses

Naming structure

We will adopt the same naming structure as the GTA project used when accepting and responding to, **interrogatories**. For example:

Issue B1 - Board Staff IR # 1 sent to EGDI for response:

I.B1.EGDI.Staff.1 = I = Interrogatory
 B1 = Issue
 EGDI = Party the IR was sent to
 Staff = Party the IR came from
 1 = Question number 1
