Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street, 27th Floor
Toronto, Ontario M4P 1E4

Dear Ms. Walli:

**Re: EB-2012-0109 – Brantford Power Inc.
Application to the Ontario Energy Board for Electricity Distribution
Rates and Charges effective November 1, 2013**

We are counsel to Brantford Power Inc. (“**BPI**”) with respect to the above-captioned matter.

On November 1, 2013 the School Energy Coalition filed submissions with the Board objecting to BPI’s request for confidentiality of an RBC Loan Agreement which was filed in confidence in response to interrogatory number 5-SEC-18.

Pursuant to Procedural Order No. 3 dated October 28, 2013 (“**PO#3**”):

- If BPI wishes to respond to any submissions on the confidentiality status of the Proposed Confidential Material, it shall file such submissions with the Board and deliver them to the intervenors by November 6, 2013.

At the request of RBC, BPI is writing to request an extension of time to file its responding submissions to Wednesday, November 13, 2013.

The reasons BPI requires the extension are as follows:

1. the confidentiality request relates primarily to third party information as described in Section 17(1) of FIPPA;
2. RBC’s input is required to respond to the submissions made by the School Energy Coalition; and
3. RBC needs additional time to prepare a response for the reasons set out in the RBC letter attached hereto as Appendix A.

Should you have any questions or require further information, please do not hesitate to contact me.

Yours Truly,

BORDEN LADNER GERVAIS LLP

Dear Mr. Vellone,

Re: Brantford Power Rate Application

I am in house counsel to Royal Bank of Canada. This letter is to request an extension to the deadline by which Royal Bank of Canada is expected to reply to a submission by the School Energy Coalition ("SEC").

In the late afternoon on Friday November 1, 2013, Royal Bank of Canada received from Brantford Power Inc. a submission made to the Ontario Energy Board ("OEB") by the SEC. In that submission, the SEC asked Royal Bank of Canada to disclose a confidential loan agreement to the public.

Royal Bank of Canada was advised that a response was due two business days later, i.e., by November 5th, so that a final submission could be delivered to the OEB by November 6th. This timeline cannot realistically be met. The SEC has made a substantive submission that requires careful review and analysis. As a matter of fairness, Royal Bank of Canada requires an extension in order to respond appropriately. As a reasonable alternative, we suggest that the deadline for RBC to respond be revised to 5:00 pm, November 13, 2013.

If I can be of any assistance, please let me know. In the meantime, I look forward to your prompt reply.

Yours very truly,
