Dear Mr. Vellone:

**Re: Brantford Power Inc. - Application for Rates  
Board File Number EB-2012-0109**

This will acknowledge receipt on November 5, 2013 of your letter requesting an extension to the date by which Brantford Power Inc. must file its response to submissions on the confidentiality status of the Proposed Confidential Material in the above noted matter.

The Board notes that Brantford Power Inc. has requested that its new rates be effective November 1, 2013, and that such extension requests could have the effect of further delays in implementation. In this instance, the Board will grant Brantford Power Inc.'s request to file its responding submissions on or before 4:45 p.m. on November 13, 2013.

The Board expects that Brantford Power Inc.'s reply will explain the basis for, or otherwise validate, the reasons enumerated in your request on its behalf for confidential treatment of the entire Loan Agreement because, at this point, those reasons appear to be bald assertions that *per se* would not satisfy the requirements of subsection 17 (1) of FIPPA and the Board's Practice Direction.

Yours truly,

*Original Signed By*
