LETTER OF COMMENT

Comments:

What a crock of shit****, thirteen cents of a dollar per month rebate, billing is every three months - thirteen cents X three = thirty-nine cents(\$0.39) or $\$0.13 \times 12 \text{ months} = \1.56 rebate. What are these people doing here? Who's going to explain this? What stupid person thought of this? I believe it is time we retaliate, from my point of view I believe we should be talking to our politician(s)about this.

As for the Ontario Energy board I believe you people should decline the Greater Sudbury Hydro Inc. application. It's going to be a waste of tax payers tax dollars.
