Dear Mr. Hurley:

**Re: Orillia Power Generation Corporation ("OPGC")  
Notice of Proposal under Section 80 of the *Ontario Energy Board Act, 1998*  
Board File Number EB-2013-0334**

On September 13, 2013, OPGC filed a notice of proposal under section 80 of the *Ontario Energy Board Act, 1998*, advising the Board of its intention to acquire an interest in generation in Ontario. OPGC has entered into a FIT contract with the OPA to construct and operate a 0.12 MW solar PV rooftop generating facility on property owned by Orillia Power Distribution Corporation.

This letter is to inform you that the Board does not intend to issue a notice of review of the proposal.

Yours truly,
