Attention: Ms. K. Walli, Board Secretary

Dear Ms. Walli:

Re: Jericho Wind, Inc. - Application for Leave to Construct Transmission Facilities (EB-2013-0361) - Affidavit of Service

We are counsel to Jericho Wind, Inc. in respect of its application for leave to construct transmission facilities (EB-2013-0361). Further to the Letter of Direction issued by the Board on October 25, 2013, please find enclosed the Affidavit of Service of Mr. Ross Groffman.

Please note that the Affidavit of Service contains personal information, consisting of the names and addresses for individuals that have been served. As such, in accordance with Rule 9A of the Board's Rules of Practice and Procedure, a non-confidential version of the Affidavit of Service is being filed on RESS and both non-confidential and confidential versions are being filed by courier with the Board in accordance with its established procedures. Exhibit 'C' of the Affidavit, which contains the names and addresses of individuals that have been served will therefore be excluded in its entirety from the non-confidential version in order to protect the personal information of those individuals that have been served.

Yours truly,

Jonathan Myers
