Dear Ms. Walli:

Re: EB-2013-0352 Enbridge DSM Variance Accounts - GEC Intervention

1. The Green Energy Coalition (GEC) hereby seeks intervenor status in this matter and requests that it be found eligible for costs.

GEC's position at this point is supportive of the clearances due to the agreement of the Audit Committee. We understand all parties may not be in agreement however and at this point we plan a watching brief, which may change based on information produced in the proceeding.

2. The GEC is comprised of the David Suzuki Foundation, Greenpeace Canada, Sierra Club of Canada and World Wildlife Fund-Canada. All of the GEC's member groups are charitable or non-profit organizations active on environmental and energy policy matters.

3. We request that the following persons be included on the distribution list:
