

EB-2013-0325

IN THE MATTER OF the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, Schedule B;

AND IN THE MATTER OF an application by Enercan Energy Management - Division of 373948 Ontario Inc. for a Unit Sub-Metering Licence.

By delegation, before: Theodore Antonopoulos

**INTERIM DECISION AND ORDER
November 14, 2013**

The Ontario Energy Board received an application to renew unit sub-metering Licence ES-2007-0924 from Enercan Energy Management - Division of 373948 Ontario Inc. dated November 4, 2013. The Board assigned the application file number EB-2013-0325.

The licence was issued to the applicant on August 22, 2008 and expired on August 21, 2013. With its application, the applicant filed a letter requesting an interim licence or an extension to the term of the existing licence, pending the final determination of its renewal application. The applicant is currently providing unit sub-metering services.

Considering the time required to process an application in accordance with the Board's established practice and procedures, and considering the applicant's need for a licence to continue its unit sub-metering activities, I find that it is in the public interest to make an order granting an interim licence pending the final decision of the renewal application.

The applicant is reminded that it carries the onus of filing an application on a timely basis given the requirements of notice, and the Board's typical timelines of processing licence applications.

IT IS THEREFORE ORDERED THAT:

Enercan Energy Management - Division of 373948 Ontario Inc. is granted an interim unit sub-metering licence until the date upon which its application for a unit sub-metering licence is determined on a final basis.

DATED at Toronto, November 14, 2013
