Toronto ON M4P 1E4

Attention: Board Secretary

**Re: The Regional Municipality of Durham and Regional Municipality of York
Application for an Electricity Generation License
Durham York Energy Centre
Board File No. EB-2013-0380**

We have received your Letter of Direction dated November 11, 2013. In accordance with the directions given, we hereby confirm copies of the Ontario Energy Board electricity generation licence application and the Notice of Application have been posted to the project website at www.durhamyorkwaste.ca and the Region's main webpage www.durham.ca. Additionally, copies of the Ontario Energy Board electricity generation licence application and Notice of Application of Written Hearing are available for public review at the Regional Clerks offices in the Regional municipalities of Durham and York as of Friday, November 15, 2013.

A handwritten signature in black ink, appearing to read 'Clifford Curtis'.

Clifford Curtis, P.Eng., MBA
Commissioner of Works

The Regional Municipality of Durham
605 Rossland Road East, Floor 5
Whitby, ON L1N 6A3
