Ms. Kirsten Walli, Board Secretary
Ontario Energy Board
2300 Yonge Street
27th Floor
Toronto, ON M4P 1E4

Dear Ms. Walli:

Re: EB-2012-0423

On behalf of Bluewater Power Distribution Inc. ("Bluewater"), we are writing to withdraw our April 10, 2013 request for a hearing, made pursuant to subsection 21(4) of the *Ontario Energy Board Act, 1998* (the "OEB Act"), provided that the OEB's determination that TAGP does not require a distribution licence is restricted only to the "LANXESS site". Should the Board's determination apply to the SRCP site, Bluewater reserves its right to appeal or otherwise object to such a determination within fifteen (15) business days of such determination.

For the sake of clarity, we have attached as Appendix "A" to this letter a map wherein the area defined as the "LANXESS site" in the TAGP application is clearly delineated (as is the area defined as the "SRCP site").

Sincerely,

Andrew Taylor
