Dear Mr. Brown

Thank you for your interest in the Board's hearings of the Hydro One Inc. and Norfolk Power Distribution Inc. applications EB-2013-0187, EB-2013-0196 and EB-2013-0198. You have been registered as an Observer for these hearings.

As an Observer you will automatically receive all documents issued by the Board throughout the hearings. Board issued documents may include letters, Procedural Orders and Decisions related to the Hydro One Inc. and Norfolk Power Distribution Inc. applications. Please note that the Board's Procedural Orders establish the dates for each step in the hearings, and are the most effective means of keeping track of how the hearings are progressing.

You can also review documents issued by the parties involved in the cases. Documents available for viewing include the applications. As the hearings progress, questions and arguments will be filed by other groups and individuals who are taking an active role in the hearings – known formally as intervenors. To see these other documents, simply go to the Board's website for consumers and enter the reference numbers above in the section called "**FIND AN APPLICATION**" at the following link: <http://www.ontarioenergyboard.ca/OEB/Consumers/>

You can also contact the Board at 1-877-632-2727 for further assistance.

Yours truly,
