Subject: Amendment To OEB License EG-2003-0103

Dear Board Secretary,

This letter is to inform you that Northland Power Inc. (EG-2003-0103) is the direct owner of:

Northland Power Solar Martin's Meadows L.P. (EB-2013-0376),
Northland Power Solar Abitibi L.P. (EB-2013-0377),
Northland Power Solar Empire L.P. (EB-2013-0378), and
Northland Power Solar Long Lake L.P. (EB-2013-0379)

These four facilities have all made Generator (owner) License Applications to the OEB.

Northland Power Inc. (OEB Generator License EG-2003-0103) will be the operator of the above four facilities. As a result, Northland Power Inc. (OEB Generator License EG-2003-0103) wishes to amend its license as per the guidance received from the OEB. Specifically, license holder EG-2003-0103 which currently is (and will continue to be) the operator of fourteen generation facilities, will also be the operator of the four additional generation facilities mentioned above. As a result, this should be reflected in the Schedule 1 of EG-2003-0103.

We request that the Board dispose of this matter without a hearing, pursuant to Section 21 (4) b of the Ontario Energy Board Act as no other parties will be affected by the outcome of the proceeding and hence we consent to dispose of the matter without a hearing.

As a result of this information, please amend OEB Generator License EG-2003-0103 accordingly.

Yours Truly,
