Dear Ms Walli,

**Ontario Power Generation Inc. (“OPG”)**  
**2014-2015 Payment Amounts Application**  
**Board File No.: EB-2013-0321**  
**Our File No.: 339583-000168**

We are writing this letter to seek intervenor status and cost award eligibility in this proceeding on behalf of Canadian Manufacturers & Exporters (“CME”).

Request for Intervenor Status

The reasons why CME should be granted intervenor status in this proceeding include the following:

1. CME is Canada’s leading business network. Its members represent 75% of manufactured output in the Province of Ontario, and 90% of all exports.
2. Manufacturing is important to the Province of Ontario. It is the single largest sector of the economy (17.5% of Gross Domestic Product (“GDP”) or \$300B) employing, directly, over 1M people in the Province.
3. Electricity is the primary source of energy for the manufacturing sector. As a result, the members of CME are vitally concerned with all matters pertaining to the supply and price of electricity.
4. Ontario-based CME members seek an electricity system for Ontario which is one of the most cost-effective and economically sustainable systems in North America.
5. CME has actively participated as an intervenor in OPG’s previous Payment Amounts applications.
6. CME wishes to actively participate in this proceeding as an intervenor to examine all matters pertaining to a determination of the reasonableness of the significant increases in Payment Amounts which OPG asks the Board to approve, including the affordability of such increases for manufacturers.

Request for Cost Award Eligibility

CME seeks a determination that it is eligible for a Cost Award on the following grounds:

1. CME is a not-for-profit organization funded by membership fees and revenues from the services it renders to Federal and Provincial Governments and Agencies to foster the development of national and international markets for its members and to break down trade barriers.
2. About 85% of CME's 1,400 Ontario-based member companies are Small to Medium sized business Enterprises ("SMEs") with 500 employees or less. The views of these businesses should be considered in this proceeding.
3. CME's ability to actively participate in this proceeding is dependent upon a determination that it is eligible for a Cost Award. In many prior proceedings, the Board has determined that CME is eligible for a Cost Award.
