Dear Ms. Walli:

Re: Ontario Power Generation Inc. ("OPG") – 2014-2015 Payment Amounts Application
Board File No.: EB-2013-0321

The Ontario Power Authority ("OPA") is in receipt of the Ontario Energy Board's ("Board") Notice of Application and Hearing dated October 25, 2013 in the above noted matter and is writing to request intervenor status in this proceeding.

In its role as Ontario's electricity system planner, the OPA has described the integrated power system context for maintaining options for continued operation at Pickering nuclear generating station ("NGS") and for the refurbishment of Darlington NGS. OPG has included a letter from the OPA in its evidence at Exhibit F2-2-3, Attachment 2, in which the OPA supports OPG's proposals for expenditures in 2013 and 2014 to maintain these options. To be of assistance to the Board, the OPA is prepared to address any questions related to this letter.

The OPA requests that electronic copies of all documents filed in this proceeding be forwarded to the attention of Miriam Heinz, Regulatory Coordinator, at the address above or through e-mail at miriam.heinz@powerauthority.on.ca.

Yours truly,

A handwritten signature in blue ink, appearing to read "C. de Boer".
