Mr. Chris Morand

Dear Chris Morand:

Thank you for submitting a letter of comment to the Board regarding the Essex Powerlines Corporation application EB-2013-0128.

The application will be decided through a public hearing. Your letter will become part of the public record, but your personal contact information will be removed.

Your letter requested non-consolidated financial statements from Essex Power Corporation and its subsidiaries; Essex Powerlines Corporation, Essex Power Services Corporation and Essex Energy Corporation. Under the terms of the *Ontario Energy Board Act, 1998* in which the Board exercises its regulatory authority, Essex Powerlines Corporation is the only subsidiary that falls under the regulatory jurisdiction of the Board. The Board publishes annually its Yearbook of Electricity Distributors, which contains financial information on Essex Powerlines Corporation. This can be found at the following link:

<http://www.ontarioenergyboard.ca/OEB/Industry/Rules+and+Requirements/Reporting+and+Record+Keeping+Requirements/Yearbook+of+Distributors#elec>.

The Board does not have regulatory jurisdiction over Essex Power Corporation's other subsidiaries and therefore does not have the information you have requested.

In reaching its decision, the panel will only be able to consider comments which relate to issues which are within the authority of the Board and relevant to the issues being considered by the panel.

Yours truly,

John Pickernell
Assistant Board Secretary
