Dear Ms. Walli:

**Re: EB-2012-0451 - Enbridge Gas Distribution
EB-2012-0433 and EB-2013-0074 - Union Gas Limited**

On October 31, 2013, counsel for Enbridge, on behalf Enbridge, Union Gas Limited, Gaz Métro and TransCanada filed a copy of the Settlement Agreement entered into by the parties. Last week the parties executed an amendment to that agreement. The amendment is brief and addresses the inclusion of certain Gaz Métro volumes in the determination of the resulting tolls. The effect of the inclusion of those volumes is to reduce the increase in short haul tolls from 155% to 152%.

Yours truly,

Crawford Smith
