**RE: UNION GAS LIMITED, EB-2013-0365, 2013 RATES APPLICATION**

Dear Ms Walli:

Six Nations Natural Gas Company Limited (SNNG) is requesting intervener status on the above application by Union Gas Limited.

SNNG is an embedded natural gas distributor within the Southern Area of Union's franchise territory and receives storage and transportation services under Union's Rate M9 class. SNNG has been an active participant in past Union rate cases.

All customers of SNNG will be directly impacted by the proposed changes to rates in this cost of service application.

For your information, SNNG has retained the services of Jason F. Stacey for advice and representation, when required, in the proceedings.

Six Nations Natural Gas does not expect to seek cost awards for this hearing.

If there are any questions or concerns with this request for intervention, please contact me at your earliest convenience.

Sincerely,

A handwritten signature in blue ink that reads "Nick Petruzzella". The signature is written in a cursive style with a large, prominent initial "N".

Nick Petruzzella, P.Eng.  
General Manager
